

# DEPLOYMENT PRAYER GUIDE

*Thank you for standing with us in prayer as we deploy overseas!*

Below is a list of prayer requests organized by days of the week, along with coordinating Scriptures to help inspire and guide your prayers.

If are able, please add some sort of a weekly fast to your prayers by choosing one meal, privilege, or luxury to lay down for one day each week to add extra focus and fuel to your prayers.

**SUNDAY – Safety** (*Psalm 127:1; Psalm 16:1; Romans 15:30-33*) – Lord God of heaven’s armies, please keep close watch over our battalion and every Soldier in it, and over the cities and villages that we are being tasked with guarding and protecting. Father, would You please personally keep watch over those cities, and grant every single one of our Soldiers safety in their mission and a return home alive and whole – in mind, body, and spirit.

**MONDAY – Spiritual Security** (*Deuteronomy 31:8; Ephesians 3:11-19; Philippians 1:20*) – Lord Jesus, I pray that many of our Soldiers and their family members would come to know You over the coming year. That many who have never put their faith in You would do so, and that many who have known You at some point, but have drifted from You, would come closer to You than they have ever been before.

**TUESDAY – Wisdom** (*Proverbs 3:5-6, 9:10, 28:2, & 29:18; James 1:5*) – Lord, grant us supernatural wisdom to discern the right course of action in every engagement we have with each other, locals, allies, and adversaries.

**WEDNESDAY – Mental Fortitude** (*Isaiah 26:3; Philippians 4:6-7; Psalm 94:17-19; 2 Timothy 4:5*) – God, please keep us all in perfect peace, and help us to fix our eyes on You always. Help us to be anxious for nothing, but to pray about everything. Grant us the peace that passes understanding, and guard our hearts and minds in Christ Jesus.

**THURSDAY – Depth of Community at Each Site** (*Romans 12:9-21; Colossians 3:12-17*) – Help us to quickly forge deep, safe, and trusting relationships with each other at each site. Help us to serve and support one another with selfless love from the first day to the last.

**FRIDAY – Family Peace Back Home** (*Malachi 4:6; Isaiah 32:18*) – Lord, please look after our families in our absence as only You can. Guard their hearts, minds, lives, and decisions. And grant us meaningful connections with them all throughout the duration of our separation from them.

**SATURDAY – God’s Kingdom Come & Will Be Done** (*2 Kings 19:19; Psalm 75:3; Psalm 33:16-18; Psalm 46:10*) – May Your purposes be established upon the earth. May Your Kingdom come and Your will be done in every location, situation, and circumstance. For Your glory and our good, in the matchless Name of Jesus, Amen.
